

## LET'S TALK ABOUT EMOTIONS!

Last Friday, Preschool and 1<sup>st</sup> and 2<sup>nd</sup> graders enjoyed some English activities about EMOTIONS:

-*Mary and the Wolf*: an English theater based on the Little Red Riding Hood.

-*The emoji box*: The students took a teddy bear and some parts of the face, as eyes, mouth... out of a box, to represent different emotions.

-*Inside an Ice Cube*: It taught us to manage anger when we are angry.

-*Traffic lights of emotions*: We recognized some emotions with emojis faces and if the face was happy, we sang songs.

-*A storm of colors*: a magician surprised us with his magic tricks.

We had a great time and we learned a lot of words in English.

The two activities we liked the most were *Mary and the Wolf* and *Storm of colors*. We also watched a movie and talked and drew a picture of what happened on the day.

IT WAS SUCH A WONDERFUL DAY!!!
